## KLAW INFINITY BOTTLE

The art of creating an Infinity Bottle is the pursuit of creating something unique. This heirloom blend of Bourbon, Rye, Scotch, Japanese and Irish whiskies is curated in-house and never allowed to run dry. Once the Infinity Bottle depletes to 50% volume, the contents are tasted and re-blended with new additions to create an ever-evolving spirit. This is more often than not, done with spirits specialists to help mold the Infinity bottles identity.

**Follow along as updates are made  
following each re-occurring blend**

**\$75 - 1 OZ POUR**
